ORDERING DETAILS

Existing 1st BASE flexi-package holders

A

During the first 2 months of transition, customers may continue to use their packages to purchase **1st BASE** biochemicals/buffers. The prevailing 5% discount as stated in the package will apply. To deduct from flexi-packages, please send orders to **1st BASE** at info-sg@base-asia.com.

For introductory promotion to apply, place your order directly with **BST Scientific** at **Tel: 6777 2856** or **Email: info@bstsci.com**.

Do note that from **1 March 2012**, **1st BASE** Flexi-packages cannot be utilized for purchases of biochemicals / buffers. All orders should be sent to **BST Scientific**.

Direct Purchases (i.e. no deduction from flexi-package)

B

Please contact **BST Scientific** to request for quotation before confirming order

Online Ordering

C

From 1 January 2012, the ordering function for biochemicals / buffers will be disabled from **1st BASE Online Ordering** – <https://order.base-asia.com>). Reward points accumulated to date will remain unaffected.
